DECLARATION

In Re the Application of:

Patent Titled: A Method of Neuromodulation Therapy

Inventor: LESLIE S FEINBERG

Application No. 10.662,960

Dear Sir:

I, Richard S. Wilkinson, a citizen of the United States of America, declare under penalty of perjury:

I reside at 2904 McCullough Road, Yakima, WA 98903

My educational background related to the field of this invention is an M.D. degree with advanced training in the fields of family practice and environmental medicine.

I have the following certifications related to the field of this invention: boarded in the field of environmental medicine.

I have been providing medical care and treatment to patients since 1977.

I have reviewed NMT: The Feinberg Technique, teaching the protocols of neuromodulation therapy.

The teachings and protocols taught by NMT: The Feinberg Technique, effectively teach a useful method of neuromodulation therapy as disclosed.

I have personally utilized this method in a useful manner in treating patients.

I believe that the disclosed neuromodulation therapy is useful in the health care field.

I have personally utilized the disclosed therapy to treat patients and offer the follow case studies: Two patients with extreme nausea and vomiting of pregnancy were entirely cured of their problem, one patient with one treatment; the other required two
